

THE ROYAL CONNECTION for 7 DAYS IN KENYA Brought to you by www.Cruzeiro-safaris.com

Everyone agrees that Kenya Safari Club is an exclusive retreat. Situated some one hundred and ninety kilometres north of Nairobi, on the slopes of Mt Kenya, it has a reputation for relaxed elegance. Many of the world's most famous names, be they royalty, film stars or merely the rich, seek it out as a secluded haven where, although you don your safari gear during the day, you always dress for dinner. Sir Winston Churchill was reputed to have been a founder Member. The list of those who joined after the Club opened in 1959 reads like an international "Who's Who", and includes Prince Berhard of the Netherlands, Lord Louis Mountbatten, author Robert Ruark, former US President Lyndon Johnson, Conrad Hilton, Bob Hope, Bing Crosby, and a bevy of celebrities. The Club's allure has never faded. Contemporary Members have included His Royal Highness the Aga Khan, President El Haj Omar Bongo of Gabon, President Gafaar Numeiri of the Sudan, Members of the Saudi Arabian Royal family, KRH Prince Mohammad Bin Fahd Bin Abdul Aziz and Mrs. Anwar Sadat. A highlight has been President Daniel Arap Moi's acceptance of membership, which has accorded the Club Kenya's seal of approval.

Day 3		Early morning wake up call(you will be served with teas and biscuits before leaving) Embark on a 1.2hours balloon ride –having a birds eye view of the Mara plains and wildlife thereafter have breakfast The adventure begins just before dawn. Departure is from a perfect natural launch site behind Little Governors' Camp, and flames from the hot air balloon burners light the darkness as the crews inflate their craft. The first, pink tongues of sunlight flicker across the skies as the hot air balloon fills, then rises. Suspended in a basket beneath the rainbow-colored canopy, you're off for a game-viewing adventure with an entirely different perspective. What amazes most first-time balloonists is the absolute stillness: the silence as you float above the plains, the forest and the rivers of the Masai Mara. Even if you've flown elsewhere, this is a unique experience. The flight lasts an hour or so, drifting wherever the air currents take you, and with ample opportunities for photography and video filming. Then your Kenyan Hot Air Balloon Safari finishes with a flourish. In the time honoured tradition of balloon flights the world over, you toast your return to earth with a champagne breakfast, cooked wherever you land. The Balloon Safari ends with some leisurely game viewing on the way back to Camp. It is a tradition of Governors' that each passenger is presented with a certificate signed by the pilot to commemorate the flight. Relax at the camp . Lunch. Afternoon game viewing drive then return to the camp for dinner and overnight. NB: Game drive timings are always confirmed by the guest relations at the reception.
